**MISSION:**  BALTIMORE COUNTY  
PUBLIC LIBRARY

Foundation for Baltimore County Public Library provides additional resources to enrich the library's commitment to empower the citizens of Baltimore County to explore, learn, create and connect.

# MESSAGE FROM THE PRESIDENT

Dear Friends,

When I wrote my annual report letter last year, we were six months into the pandemic. I talked about how proud I was to be associated with Foundation for Baltimore County Public Library, supporting our

incredible public library system as staff members pivoted to serve its customers in the midst of an unprecedented environment. I mentioned that while the Foundation was unable to hold our annual Taste of the Town event in 2020, which usually raises nearly \$50,000 annually, we were still able to connect with our donors virtually. At the time, I certainly hoped that within the next several months, we'd be back to "normal." And while "normal" may never look the same again, the library continued to serve the public in ways old and new.

Customers and staff alike were relieved when branches opened to the public in June. In-person programming returned, at least in some form, with outdoor Summer Reading Challenge events. Most significantly, it was announced that, starting July 1, late fees would be eliminated for all customers. This removed what was a major barrier to service to so many, and the Foundation is proud to support Baltimore County Public Library in this endeavor. And it makes generous support from loyal donors like you so important, and appreciated beyond measure.

At the Foundation, we continued to look for innovative ways to raise funds during a time when our donors' charitable dollars were often spread thin, with many important and worthy causes asking for help. Frankly, I am humbled by the support we received over the past year. When we held two virtual fundraisers — the Frost & Bite Cookie Kit fundraiser and the C is for Cookie fundraiser — the response was incredible. For

those who ordered the VIP-level kit, our board members made personal deliveries to your homes, and they were so glad to get the opportunity to thank you for your support in person (and from a safe distance).

In February, as part of a welcome to our new director, Sonia Alcántara-Antoine, we asked library customers to write us "Library Love Letters." We wanted Sonia to know how people felt about their beloved Baltimore County Public Library. The old saying, "Absence makes the heart grow fonder," comes to mind when recalling some of the sentiments people shared with us. Over and over again, people expressed their gratitude for the services offered during the pandemic, how much they missed browsing in person and how they looked forward to the day the branches re-opened.

At the Foundation, we understand those feelings, and we are so proud to work with Baltimore County Public Library and support the organization as it continuously innovates to meet the evolving needs of the library customer. Your support helped to get our Mobile Library Law Center on the road and begin the first steps in creating a Social Worker in the Library program.

The added level of difficulty of operating during a pandemic didn't stop this incredible library system from serving the people of Baltimore County, and the Foundation is honored to have played a part in this service. As we look to finally turn the page on COVID, all of us at Foundation for Baltimore County Public Library say thank you for your contributions as you help us write a new chapter.

With sincere thanks,

A handwritten signature in black ink that reads "Ellen York". The signature is written in a cursive, flowing style.

Ellen York, President  
Foundation for Baltimore County Public Library  
Board of Directors

# FOUNDATION HIGHLIGHTS

Foundation for Baltimore County Public Library supports the library in its quest to meet the goals of its strategic plan. Some of the goals, and the projects we funded, are below.

## Mobile Library Law Center

Foundation for Baltimore County Public Library is honored to help bring this program to Baltimore County Public Library — the first public library in the United States to own and operate a vehicle dedicated to legal services. The Mobile Library Law Center visits targeted underserved communities to bring free legal assistance to those who need it most, but who otherwise may be unable to access these services, either physically or financially. Our partners at Maryland Legal Aid provide free civil legal advice and assistance on issues such as expungements and shielding, housing issues like evictions and foreclosures, social welfare benefits and disability issues, and family law and custody matters. The vehicle was funded entirely through the Foundation, with contributions coming from the American Bar Endowment, BGE, Foundation for Baltimore County Public Library, the Maryland Bar Foundation, Maryland Legal Services Corporation, PNC Foundation and Wheels for Change.

## Preservation Station

The historic Reisterstown Branch recently re-opened after a major 14-month renovation. The renovation includes the Preservation Station, which features state-of-the-art equipment in a digitization lab for photographs and historical documents. The equipment inside Preservation Station was funded entirely by Foundation for Baltimore County Public Library. Community support for the branch continues to be funded through the Donor Wall, scheduled for installation in 2022.

## Social Worker in the Library

Baltimore County Public Library continues to evolve and innovate to meet the community's needs, and the Foundation is proud to support the library in this endeavor. The Social Worker in the Library program is one example of this innovation. Baltimore County Public Library strives to be a community connector, giving customers access to services that may not otherwise be available to them. A full-time social worker, based in neighborhood branch locations, allows customers to access this service in a welcoming and comfortable space. The Foundation was pleased to facilitate a large donation from The Osprey Foundation of Towson to fully fund the first year of this important and potentially life-changing program. A pledge from The Osprey Foundation partially funds years two and three with the intent of adding two social workers to the library's staff. Each social worker will focus on one geographical region of the county. The Foundation continues to search for the funding necessary to ensure a successful program.

## Summer Reading

The Foundation supports this incredible program annually, and it was especially rewarding to do so this year, when in-person programming for Summer Reading was held for the first time since 2019! The theme for this year's Summer Reading Challenge was "Tails and Tales," and participants were encouraged to explore the great outdoors and learn the tales and stories of animals from all over the world. Summer Reading 2021 was generously supported by M&T Bank, BGE and Maryland 529.

## Michael Davis Virtual Author Talk

In May, we were honored to be joined virtually by Michael Davis, author of *Street Gang: The Complete History of Sesame Street*. Foundation All In Crowd members and C is for Cookie customers were treated to a delightful conversation with Mr. Davis, who spent years researching the beloved children's series and interviewing many who were connected to the show. VIP customers and donors who contributed \$250 or more received an autographed copy of Mr. Davis' book, which is a *New York Times* bestseller, and was recently adapted for a critically acclaimed documentary. We are so grateful to Mr. Davis for giving so generously of his time for this wonderful event!

# FOUNDATION EVENTS

## Frost & Bite Cookie Fundraiser

The pandemic made holding in-person events impossible, which made raising crucial funds challenging. Like other organizations, we pivoted, and in December hosted the “Frost & Bite” cookie fundraiser. Nearly 200 happy people purchased delicious at-home cookie decorating kits, prepared by our friends at Cake by Jason. We were able to raise the much-needed funds, all while helping our customers bring some tasty holiday cheer home. Customers were provided access to an exclusive how-to video by Jason Hisley from Cake. Those who paid for the VIP experience even received a personal delivery from a Foundation board member!

## C is for Cookie Fundraiser

An event so nice, we did it twice! When in-person fundraisers weren’t possible even by the spring, we again needed to replace our usual event income. Once again, we went for cookies! Inspired by the virtual author visit by *Sesame Street*’s Sonia Manzano, the “C is for Cookie” kit featured cookies and decorations to turn each treat into everyone’s favorite blue puppet, Cookie Monster! Special thanks to our friends at Cake by Jason, and to our wonderful sponsors Playaway, Point Breeze Credit Union, T. Rowe Price, Janet Sanford and Susan Waxter for making this event both successful and fun. Board members once again took to the streets to deliver the VIP kits to our supporters.

# FY2021 FINANCIAL SUMMARY
